### PROFESSIONAL HISTORY

#### CAREER MATERIAL ADVISOR

**Trilogy Education/2U** | REMOTE | 2018 - PRESENT

- Coached hundreds of newly graduated bootcamp students entering web development, data analysis, UX/UI and Cybersecurity industries to develop their personal brand through their career materials, critiquing GitHub profiles, portfolios, case studies, resumes and more.
- Met fast-paced deadlines with high caseloads without sacrificing quality, utilizing creative organizational and time management skills in an independent, remote environment.

#### DIGITAL CONTENT CREATOR

**DRI DUCK Traders Inc.** | KANSAS CITY, MO | 2016 - 2018

- Assisted with the launch of DRI DUCK direct-to-consumer website from a marketing perspective, using e-commerce platform BigCommerce and working alongside developers to create structure of site through multiple rounds of wireframing, prototype development and usability testing.
- Oversaw the design, creation, and launch of weekly promotional emails.
- Awarded PPAI Silver Pyramid Award for Technology and Social Media during Fall / Winter 2018 for innovation in digital marketing and social media in the promotional products industry.

**Technologies:** HTML, CSS, ADOBE SUITE (PHOTOSHOP, INDESIGN, ILLUSTRATOR), BIGCOMMERCE
